

COLLEGE LIBRARIES STRATEGIC PLAN

COLLEGE OF
CHARLESTON
LIBRARIES

MISSION

The College Libraries make available a comprehensive collection of scholarly resources, expert instruction, and diverse programming to support the College's mission of developing ethically centered, intellectually versatile, and globally fluent citizens who create innovative solutions to social, economic, and environmental challenges.

VISION

The College Libraries promote intellectual curiosity, creative and collaborative learning, and an uncompromising commitment to open and equitable access to information as the College transforms into a national university redefining liberal arts education through innovation.

CORE VALUES

Integrity: We take accountability for our actions and adhere to the highest ethical standards in all our professional obligations and personal responsibilities. We demonstrate respect for self, others and place.

Academic Excellence: We are committed to a dynamic intellectual community, high academic standards, strong academic programs, exceptional teacher-scholars, engaged students and lifelong learners.

Liberal Arts Education: We encourage intellectual curiosity and foster each student's ability to think creatively and analyze, synthesize, apply and communicate knowledge from many sources.

Respect for the Individual: We create and nurture a globally-oriented academic community, whose members value and respect one another.

Student Centeredness: We are devoted to nurturing thriving scholar-citizens through the intellectual, ethical and social development of each individual student.

Innovation: We act with an entrepreneurial spirit to imagine and implement creative, bold and sustainable solutions in our pursuit of excellence and continuous improvement.

Public Mission: We demonstrate social responsibility in meeting the educational and professional needs of our community, our state, our nation and the world.

STUDENT EXPERIENCE & SUCCESS

Ensure an effective support system that increases retention and graduation rates and enables students to learn and grow in every aspect of their College experience, preparing them to work and lead in a globally connected world.

Strategies

Enable relevant and timely access to scholarly materials, instruction, and services for students, faculty, staff, researchers, and members of the community in support of academic endeavors.

Upgrade and maintain physical facilities and virtual services to enable and foster effective learning and well-being.

Create a welcoming environment where all students feel they belong.
